Dear Friends, Neighbours and Members,

As the year draws to a close, I would like to express my personal gratitude to the small group of volunteers that are the heart of CSVSWRA. These dedicated volunteers give a lot of their time throughout the year to support the Community. Without a doubt the positive impact they have made is immeasurable and we are fortunate to have them.

To each and every one of our members thank you for your unwavering support this year. We appreciate each and every one of you.

Change is happening at a fast pace in Scarborough SW! As a challenging year comes to a close, I reflect on and celebrate everything we've accomplished together to bring positive change to our neighbourhoods, including the task force on rooming houses, supporting residents at the Committee of Adjustment and Scarborough Community Council, preventing the blanket rezoning of our neighbourhoods for commercial uses, giving our community voice at Scarborough Village Safe Streets and Safe Kingston Road projects, the 5 to 11 Bellamy Road development consultation, work on our very own Characters of the Neighbourhood Study, and much more!

As we go into 2026, I'm confident that together, we will achieve remarkable things. Let's bring our best ideas and energy to build on our successes.

Thank you All for being such an integral part of our community! I look forward to celebrating more achievements with you in the New Year.

I hope your holidays are filled with warmth, joy, and happiness!

Sincerely,  
Marina Tadenc  
VP CSVSWRA
