Dear Mayor Tory:

My name is Alan Burt and I am the Co-Chair of the Planning and Development Committee of the Cliffcrest Scarborough Village SW Residents Association (CSVSWRA). CSVSWRA is an incorporated not-for-profit association working to preserve the unique nature of our neighbourhoods.

This letter is an urgent request for you to call a Special Council meeting on Bill 39 to address the many issues of "Better Governance" that appear to be lacking in the proposed changes.

The Federation of North Toronto Residents Associations (FoNTRA) wrote to you on November 28th to ask that you urgently arrange a Special Council meeting to allow members of City Council to discuss the proposed legislation, and to permit residents of Toronto to have input on the Bill. If Council waits until the regular meeting on December 13th, the voices of members of Council and that of the residents of this City will likely not be heard from before the legislation is voted on in the Legislature.

Your slogan in the recent election was 'WORKING FOR YOU'. As residents of the City of Toronto it was assumed that 'YOU' meant 'THE CITIZENS OF TORONTO'.

Calling a Special Council meeting will prove to all that you are 'WORKING FOR US' and are not 'WORKING FOR DOUG FORD'.

Please keep the promise that you made to all of us.

Alan J. Burt
