RE: A0195/21SC 37A Allister Ave

Committee of Adjustment Panel,

Please accept this note as indication of my opposition to the variances requested for 37 Allister Ave

I do not feel the variances requested are in keeping with the character of the neighbourhood.

Though the City encourages development and intensification, the unique character of neighbourhoods and the concerns of residents need to be considered as well.

Please feel free to contact me at any time if you have any questions or concerns.

Sincerely,

Gary Crawford  
Councillor, Ward 20  
Scarborough Southwest
