

Cliffcrest Scarborough Village SW Residents Association Announcement

SPECIAL MEMBERSHIP DRIVE MESSAGE!

Dear Members,

The year is young, and we are looking forward to a very busy 2022!! The city has some very important decisions on the horizon, with respect to your community. Over the last year, the community realised great success in promoting responsible development, which respects our community, while raising attention to the natural beauty of our neighbourhoods.

We would like to take this opportunity to thank you for your support, but to also ask a big favour! We are kicking off our “2022 Membership Campaign” and we would like to ask for your assistance. The best success with our growth has been through “word of mouth” and community engagement. Over the last year, we are very pleased to have seen our numbers double and we are grateful to see so many neighbours come out and join the RA.

JOIN US! Send a message, call a neighbour, or speak to someone you know - socially distanced, of course! Anyone in your household, who is not currently an RA member, can also register. Simply ask them if they would be able to support the RA in any capacity. Encourage them to visit our website and see what we have been working on. Becoming a member is the first and most important way to become engaged! Associate Membership is FREE!

Some highlights of our future plans include:

1. **Expansion of the Tree Ribbon Project!** -This project brings attention to the existing trees in our community and the ever growing importance to their health and benefits to our community. Connecting this project with our schools engages the young members of the RA catchment area.
2. **Tree Planting and Fundraising Events!** Everyone knows that a vibrant and thriving Tree Canopy is a critical part of a healthy community. This program will be designed to encourage the replanting and restoration of trees to our neighbourhoods.
3. **The CSVSWRA tree inventory program** - to aid with education, protection and augmentation of our Tree Canopy.

There are a number of important upcoming City decisions regarding:

1. Multi Tenant Housing
2. Backyard Garden Suites
3. Multiple condo projects through the Kingston Rd. Corridor

4. Changes to the Official plan
5. Parking rules and guidelines

A strong, vibrant and active Residents Association speaks volumes to City Councillors and officials. When major changes to our By-Laws, Official Plan and City framework are proposed, the City cannot ignore community solidarity.

Help us build a strong voice! If every existing member speaks to one neighbour, family member or friend, we could double our numbers. If we all spoke to two people, our numbers would triple....Joining the RA is as simple as visiting our Website.

[Become a Member - Cliffcrest Scarborough Village SW Residents Association](#)

Every new member will need to fill in their own application. Let us know if anyone has any questions or needs assistance.

We look forward to hearing from you!

Stay well and keep healthy!

Sincerely,

Your Membership Team at the Cliffcrest Scarborough Village South West RA

JOIN US! THERE IS STRENGTH IN MEMBERSHIP!
