RE: Item - 2025.MM29.18 - Scarborough Bluffs West Project: Environmental Assessment Agreement

Dear Mayor Chow & Councillor Kandavel,

The following item on the agenda comes as a complete surprise.

<https://secure.toronto.ca/council/agenda-item.do?item=2025.MM29.18>

Cliffcrest Scarborough Village SW Residents Association (CSVSWRA) has a Director who participates on the Scarborough West Project (SWP) and we were not made aware of this, neither through this SWP project, any other consultation, or by our Councillor.

We are unsure what this means and what the impact will be? Our concern is that a comprehensive environment assessment not be bypassed by using a voluntary partial environment process.

Can you confirm what this motion would actually do?

We ask for a deferral in order to bring the affected community up to speed.

We look forward to your reply.

Kind regards,

Marina Tadenc

CSVSWRA
